

## Reiki II Level Training

Reiki II Level Training

January 2009 - date to be confirmed

The course includes:-

Further information on Self-Reiki and the importance of healing yourself before you can heal others

Information on the 3 symbols

Training on working with guides, grounding and protection

Learning how to focus the energy and utilising your skill wherever it is needed

Distance healing/healing animals

You can be prepared for changes on many levels as the 2nd degree can activate a quantum leap in awareness and consciousness will be raised.

On completion of the course you will be presented with your Reiki II Certificate.
